# Kinetico SIGNATURE SERIES™

## Product Highlights

**Non-Electric Operation:** Moving water powers these systems, not electricity, so operation is simple and reliable. There are no timers or computers to set, adjust, repair or replace.

**Works on Demand:** Systems meter water use and regenerate based on actual usage. You won't waste water or salt, yet you'll always have clean, soft water whenever you need it.

**SmartDisk™:** Set to accommodate your specific water conditions.

**Soft Water, Countercurrent Regeneration:** You'll enjoy the benefits of improved system efficiency and water quality thanks to Kinetico's superior regeneration process.

**Twin Tank System:** One tank is always in service, even during regeneration, for an unlimited supply of clean, soft water.

**Efficient Hardness Removal:** Get the water you want in your home without sacrificing savings and convenience.

**Effective Iron Removal:** Removes soluble iron\* from water.

\*Depends on type and concentration of iron and other water conditions.

**5 Year Warranty:** Rest assured, we stand behind our products.
